1. This is a response to Applicant's response and RCE filed on 03/21/2008. By virtue of this amendment, claims 1-8 remain pending in this application. Claims 1-8 are allowed.

**Examiner's remarks**

2. Applicant's argument about the 35 U.S.C 101 and 35 U.S.C 112 are persuasive, therefore, the previous office action is withdrawn.

**Reasons for Allowance**

3. Claims 1-8 are allowed.

The following is an examiner's statement of reason for allowance:

Claims 1 and 6 are considered allowable since the prior made of record and considered pertinent to the applicant's disclosure does not teach or suggest the claimed limitations.

**Borson** ( U.S. pub. US 20030237047A1) and **FairWeather** (U.S. Patent No. US007308449B2) disclose not discloses appending to an output join list if it is determined that a second attribute of a current node in the potential descendant list is less than a second attribute of a current node in the potential ancestor list and a first attribute of the current node of the potential ancestor list is less than a first attribute of the current node of the potential descendant list, a second attribute of the current node of the potential descendant list is less than a second attribute of the current node of the potential ancestor list, and a level number of the current node of the potential descendant list is equal to a level number plus one of the current node of the potential list.

**Claims 2-5 and 7-8** are allowable by virtue of their dependencies on claims 1 and 6.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
